"At ILAC, it is fun to study! My teacher always made the class atmosphere exciting. **They are the most friendly people I have ever met. Also, students are really friendly and kind to each other.** They do not hesitate to help each other. I am really surprised that people from different countries can be best friends. Wherever I go all over the world, I now have friends in every country."

Chang from **Korea**

"ILAC is a dream for everyone. I have been planning my exchange program since I was little and was always searching for the best school and, in the middle of it, I found ILAC, the most awarded language school in the world, and it is! My first day here, my teacher explained to me everything I needed to know, and she was awesome with me and my classmates, she asked us where we were from, our age, our name, what we liked to do and so on, and her class was amazing, she is patient, calm and very good on her work. ILAC inspires me every day!"

Ana from **Spain**

"My experience with ILAC has been amazing. I've learned a lot in these 3 weeks I've been here. It's a very complete program and it is also very fun; I hardly ever get bored."

Catalina from **Colombia**

"Back home, we learn English in a closed way, where education tends to focus on only grammar or vocabulary. On the other hand, at ILAC, I can learn English in a lot of different ways, from general knowledge or grammar to really specific and academic skills like in the business class. I like that way to learn English. **For me, the atmosphere of the class is the most important aspect at ILAC.**"

For sure ILAC was the best choice I had! The teachers, the buildings, the events, the method, everything is more than I expected! All the people I met here was amazing, friendly and they are here with the same purpose: improve the language. But this time here was more than that it was the best experience in my whole life.

I spent three weeks studying at ILAC and my overall impression was good. Teachers are great, rooms with plenty of space and they teach English in a fun and productive way. The activities promoted by ILAC are really good and cheap as well. I went on a trip to Niagara Falls with ILAC and it was an unforgettable experience for me. Something that is also worth mentioning is that at ILAC, you will get in touch with different cultures and have the opportunity to meet people from all over the world. I would definitely recommend the school!
