"I love how ILAC International College opens doors and I would never ever be able to count how many it has already opened for me here in Canada. The co-op part of the program gave me an opportunity to **gain experience working in Canada** and become familiar with the way people work here. I am super excited and every day I feel more confident with the career I want for my life!"

“

"I started the hospitality program in Tamwood Careers. I'm so happy because I met all of my best friends here in Vancouver, and this is the best experience that I've had so far. I'm really thankful because of all of the support from the Tamwood team and I am planning for my dream job at Fairmont Pacific Rim. I'm pretty sure that I will never forget this experience. **Thank you very much, Tamwood Careers!**"

Leticia Valencia Espinosa Mexico City

"Thank you so much Tamwood, it was a unique experience. You can meet here new people from all over the world. The teachers, everybody in the school, they're gonna help you when you're new here, and with time, you start to know everything. And again, thank you so much for everything. **I really enjoyed it!**"

English progression may vary and is dependent on effort, regular attendance and self-study time outside of class.

Canada: The Land of Opportunity

Canada has a rapidly growing economy with incredible opportunities to work and do business. Toronto, Vancouver & Whistler are multicultural, and among the most liveable cities in the world.

Work Experience in Canada

Gain Canadian work experience while you are enrolled in one of our co-op programs. You will practice the knowledge you have learned in class, develop professional contacts within the industry and enhance your résumé while studying.

Start your path to Canadian immigration

Under the block course transfer agreements that we have with several Canadian public colleges and universities, you can transfer some or all of the courses you took to the partner institution thus saving you tuition fees and study time at the partner institution.

Academic Counselling

Students and graduates have access to FREE academic counselling. If you are planning to continue your education at a Canadian college or university, a specialist will help you find the right program and school. Services include a personalized study plan, university application support and free pathway tours.

Accommodation

There are several housing options to fit your profile, lifestyle and budget. You will receive support before and during your stay with either a homestay family or in a student residence. Airport pick-up and drop-off services are also available. Visit our websites to learn more.

Amazing Instructors

Our Instructors are leading industry professionals with extensive knowledge and expertise in their field. They bring to the classroom a passionate, hands-on approach to learning through practical application of the material.

Improve your Business English Skills

Enhance your professional writing skills and enrich your business English vocabulary. Develop public speaking & presentation skills that will help you feel comfortable to give speeches and attend seminars in English.

Earn a Canadian Diploma

Secure your future with a widely recognized diploma in the fields of Business, Technology, Entrepreneurship, Hospitality & Tourism.

Don't wait! Take the first steps towards your future today!
